Hi?
You're the one who didn't take my call
Why aren't you answering my calls?

What do you want..since yesterday? How did you know my address..?

Why do I feel uncomfortable every time I see him?

First of all~ I want to go inside and talk

How can you treat your guest like this, sunbae-nim?

You're with Hyeonseo, aren't you? Are you doing something erotic?!

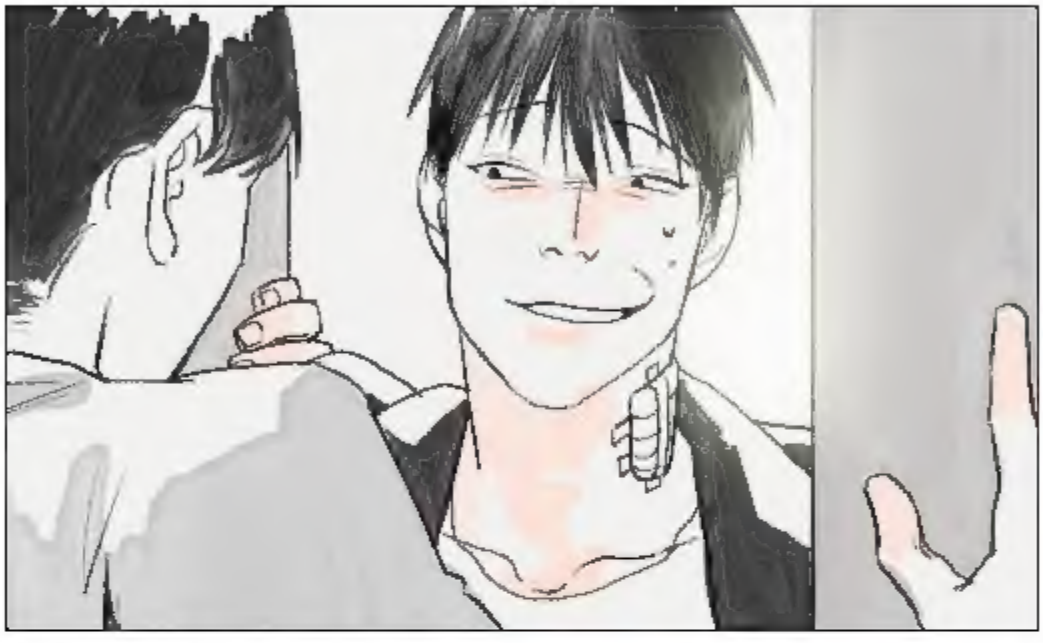
That's...not...true... Hyeonseo is not well. What do you want?

I want to give you some rice cake.

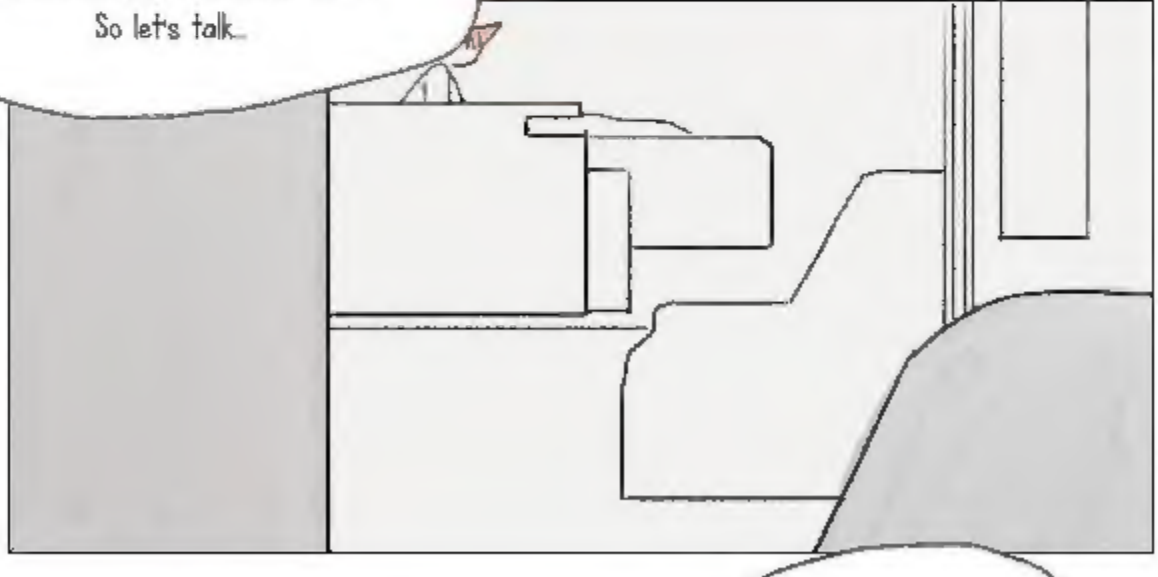
T/N: It's a tradition in South Korea to share some rice cake with your neighbours after moving to a new place

I'm living next door

M-moved?
Next door...?



Hyeonseo would love to meet me.
Because we're in the same class!
So let's talk...



inside...

...there's a kid

Hyeonseo, my foot... Hyeonseo is dead.
But why does he keep on hiding?

Why did he talk as if Hyeonseo is still alive?
Did he think I don't know about that?

Let's just talk in my house.
It's just next door.
Is that okay?
